Our romantic facility features two rooms, both very different in size and feel. Both rooms are nicely complimented by Forest Waters park like setting. Hundreds of towering oak trees combined with our two spring fed lakes provide you with an oasis that is conveniently located just six miles northeast of San Antonio.

FOREST WATERS CLUB

Our Dining Room will accommodate up to 115 guests for ceremony seating and 70 guests for dining seating. This room is composed of a majestic rock fireplace, cathedral ceilings, massive windows, French doors opening onto a wrap around deck overlooking a romantic setting. The Dining Room also features a commercial kitchen for use by our preferred caterer or the caterer of your choice. Our open fireplace is ideal for Winter receptions. The Dining Room is also perfect for Spring and Fall receptions as guests can enjoy the cool weather outside on the deck.

DINING ROOM

For larger receptions we welcome you to tour our Duck Blind Lounge. The Duck Blind will accommodate groups of up to 200 guests. A large decorative bar, wooden dance floor and piano add to the elegant atmosphere. A spectacular view of the grounds and the lake are enhanced by the second story vantage point. A boardroom is available for additional seating or buffet serving. Although the Duck Blind is our largest room, it is cozy enough for small intimate gatherings.

DUCK BLIND LOUNGE

IN ADDITION TO OUR TWO BEAUTIFUL ROOMS, FOREST WATERS PARK-LIKE SETTING IS IDEAL FOR OUTDOOR WEDDINGS. OUR GROUNDS WILL ACCOMMODATE OVER 250 GUESTS FOR YOUR OUTSIDE CEREMONY. THE TOWERING OAK TREES, COMBINED WITH THE WRAP-AROUND EFFECT OF THE CLUB HOUSE, CREATE AN IMPRESSIVE AND MEMORABLE SETTING FOR YOUR SPECIAL DAY.
